

Team & Qualifications

Axiom Dynamics

Employee: *Robert Knudsen*
Role: *Project Manager / Business Development*
Years of Experience: *10+ years*
Certifications: *ISFCE, CHFI, Security+, Network+, A+, MCP*
Place of Residence: *Mount Kisco, NY*

Mr. Robert is a retired NYC Police Officer. After his retirement, he started his career in Computer Forensics & Security where he gained his experience in project management and led a team of field technicians, systems & network engineers, and software developers to successfully implement and deploy corporate computer systems. In this capacity he has responded to hacking and intrusion incidents for corporate clients as well as government agencies.

Mr. Robert joined the team late last year to play the role of Project Manager but he also has significant experience in Marketing and Channel Partnerships. In this role at Axiom Dynamics, he is responsible for, developing key channel partnerships and leading Axiom Dynamics' sales and marketing efforts.

Axiom Dynamics is proud to have Mr. Robert on the team.

Employee: *Shaun Haque*
Role: *Security & Services Manager*
Years of Experience: *12+ years*
Certifications: *CISSP, CCIE Security, ITIL, CSA, CWNA, CHE, CFI, CCSP, CCSE*
Education: *BE in Environmental Engineering*
Place of Residence: *Whitestone, NY*

As a Security & Services Manager, Mr. Shaun is a 12-year security specialist with background in diverse industries. Over the years he has designed and implemented solutions for security consisting of Firewalls, VPNs, Intrusion Detection Systems (IDS), Intrusion Prevention Systems (IPS), Anti virus Corporate Software. He also specializes in Incident Response, Disaster Recovery Design & Planning, and Business Continuity Planning. At Axiom Dynamics he leads a team of network and systems engineers that are responsible for all LAN/WAN network design, all aspects of data communication and network security-related matters.

Mr. Shaun has worked in companies such as TDWaterhouse, AT&T, JPMorgan, IBM Global Services and Westchester County Governments.

Employee: *Haris Buchal*
Role: *Systems Engineer / Software Developer*
Years of Experience: *6+ years*
Certifications: *CCNP, CCNA, MCSE+Messaging, MCSA, VCP, MCP, MCSD, MCAD, SCJP*
Education: *BS in Computer Science*
BS in Mathematics
Place of Residence: *Woodside, NY*

Mr. Haris is an infrastructure (LAN/WAN) and operations engineer with a diverse career in the design, implementation and support of a diverse range of technologies for market's leading corporations. He has worked for such companies as Merrill Lynch, Citigroup, County Governments, Law Firms, and several Hedge Funds. His list of certifications is not only proof of his accomplishments but tells about his knowledge in diverse technologies.

Along with systems design and engineering experience he carries with him in depth knowledge of programming and software development experience and skills. He has developed systems on multiple platforms including J2EE AND .NET framework.

Employee: *Mueen Husain*
Role: *Systems Engineer*
Years of Experience: *4+ years*
Certifications: *CCNP, CCNA, MCP*
Education: *BS in Computer Science*
Place of Residence: *Flushing, NY*

Mr. Mueen recently joined our team as Systems Engineer. He supervises the team of engineers and support specialist, designs LAN rooms and coordinates key details with architects, engineers and clients. During his tenure he has worked extensively in the areas of exchange server setups, market data applications, and desktop support and network administration.

Previous to his post at Axiom Dynamics, Mr. Mueen worked for United Nations Federal Credit Union (UNFC) as Sr. Network Administrator in the IT department. Besides working in financial arena, Mr. Mueen brings his experience from several other industries including Insurance, HealthCare, and Marketing.

Employee: *Andrew Polaski*
Role: *LAN/WAN Architect*
Years of Experience: *13+ years*
Certifications: *CCIE – Routing & Switching, CCIE – Security, CCIE – Wireless, CCIE – Voice*
Education: *PhD in Computer Engineering*
Place of Residence: *Old Greenwich, CT*

Mr. Andrew has been in the networking industry for over 13 years, and is one of the select few Cisco certified CCIE experts to hold Quadruple-CCIE certifications. Mr. Polaski has teaching and consulting experience and has worked for Fortune-100 Companies like JPMorgan Chase, Merrill Lynch, AT&T and HP in the past. Mr. Andrew specializes in the fields of routing/switching, security, wireless, voice, service provider and unified communications for voice.
